Lorence Winter of Wheaton and Ellsworth Zahl of 4260 Twin Oak Lane, Minneapolis, Minnesota, were elected to the Honor "A" Society of the West Central School and Experiment Station at Morris at Summer Reunion on June 10. This organization was formed to give recognition to graduating seniors and alumni of the West Central School of Agriculture who have displayed outstanding leadership in school and home activities and in the case of alumni, members are selected on the basis of contributions in the field of agriculture.

Lorence Winter is a 1926 graduate of the school. He is farming and has been very active in community affairs, working as a director of various Electric Cooperatives. At the present time he is president of the Traverse County Sugar Beet Association which is striving to obtain a sugar beet processing plant in Western Minnesota.

Ellsworth Zahl graduated from the West Central School of Agriculture in 1929 and is presently president and general manager of Zahl Equipment Company in Minneapolis.
